Chromebook and Cases RFP Vendor Questions & Answers

Q1. We have a Chromebook always on cases similar to the Higher Ground Shuttle 3.0 with pouch. But we only have limited samples left, so is that possible that the school could return the sample back to us if we did not get selected? We could provide you with the shipping label so you do not need to pay the shipping fee.

A1. Yes, I can return your cases if you aren't awarded the bid. Send samples.

Q2. I notice from the Q&A that you have 1:1 MacBook Air 11 inch laptops in the Middle school, we have all different kinds of MacBook cases, can I also send you a few MacBook cases for you to review?

A2. It appears that you were reviewing a Q&A from a previous (complete) bid project. We are getting rid of MacBook Air units. No samples are needed.

Q3. Where can I find the whole Q&A page?

A3. The Q&A for this RFP will be released on the RPS Bid Opportunities web page. This will be available on March 6th, 2020.
