## School Annual Education Report (AER) Cover Letter

January 7, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Ravenna High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Superintendent Greg Helmer for assistance.

The AER is available for you to review electronically by visiting the following website **<https://www.ravennaschools.org/school/rhs/>**, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Based on the School Index Report, Ravenna High School has not been designated with any of these labels.

Ravenna High School, was recently renovated and remodeled to better meet the needs of our students, staff and community. A strong emphasis has been placed on instructional technology. RHS has implemented Google Classroom, Google Meets and Go Guardian to help support the needs of our students and staff. Staff have undergone an abundance of professional development related to instructional technology. Digital communication continues to be enhanced and has become the primary means of communication within our school community. RHS staff has a

100% digitized curriculum, including Pacing Guides, Unit Plans and lesson plans, which help inform our instruction, as well as the allocation of resources. The curriculum was developed utilizing historical local and state assessment data, including the MSTEP, SAT and PSAT.

State law requires that we also report additional information:

1. Ravenna High School has a single building that students entering 9th - 12th grades are assigned to.

2. School improvement goals are based on student achievement data, such as the SAT, PSAT, MSTEP and local assessments aligned with state adopted standards. School improvement goals are also closely aligned with the district strategic plan. These goals are assessed annually.

3. Ravenna High School is also home to the Ravenna Alternative Virtual School (RAVS). This is an online virtual learning program created by Ravenna Public Schools. It is intended to be a hybrid high school experience that includes both online and face to face learning experiences, coordinated by the program's mentor teacher. This program has been developed for those in need of an alternative educational experience.

4. The core curriculum can be accessed through the state's curriculum website. The local curriculum, which is aligned to state standards, is housed in a shared drive that can be accessed by all RHS staff.

5. SAT Results:

Subject Area	2021-22	2022-23	2023-24
Reading/Writing	480	464	477
Math	442	442	468

6. Parent Teacher Conferences:

Year	Fall Conferences	Spring Conferences
2022-23	20%	17%
2023-24	23%	18%

7. All juniors and seniors are eligible for dual enrollment at RHS. A placement test must be taken at the appropriate post-secondary institution to determine placement and SAT scores are utilized to determine readiness. During the 2023-24 school year, Ravenna High School had 34 students (11%) dual

enrolled. Multiple college equivalency courses are offered at RHS, via a variety of online providers. 47 students are enrolled in college equivalency courses (15%). RHS currently offers AP courses through a variety of online providers, as well as Honors Chemistry, Honors English 12, Honors Physics, Precalculus and Anatomy and Physiology.

We hope the data contained in the report is useful and informative. Ravenna High School is in a cycle of continuous improvement, with a focus on the whole-child. We believe that developing work based competencies to benefit our students throughout life, is in support of our mission to create lifelong learners to be productive citizens and leaders.

Sincerely,

Justin Wilson, Principal
