School Annual Education Report (AER) Cover Letter

December 13, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2023-24 educational progress for Ravenna Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Superintendent Greg Helmer for assistance.

The AER is available to review electronically by visiting the following web site <https://secure.munetrix.com/n/Michigan/Schools/WCR/Muskegon-Area-ISD/District/Ravenna-Public-Schools>, or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Based on the School Index Report, Ravenna Middle School has not been designated with any of these labels.

Ravenna Middle School, is currently being renovated and remodeled to better meet the needs of our students, staff and community. A strong emphasis has been placed on instructional technology and mathematical instruction. RMS has implemented Google Classroom, Google Meets and Go Guardian to help support the needs of our students and staff. Staff have undergone an abundance of professional development related to instructional technology. Digital communication continues to be enhanced and has become the primary means of communication within our school community. RHS staff has a 100% digitized curriculum, including Pacing

Planted in Promise; Growing in Pride

Guides, Unit Plans and lesson plans, which help inform our instruction, as well as the allocation of resources. The curriculum was developed utilizing historical local and state assessment data, including STAR Reading and Math, MSTEP, and PSAT.

*State law requires that we also report additional information.

1. Due to the fact that we have one middle school building in the district, all students are assigned to the same building. Students are assigned to classes based on their grade level and academic need, as determined by data gathered from multiple data sources.
2. During the 2023-2024 school year, we continued to build on the foundation that was established in previous years. We continue to collaborate with our District School Improvement Team and our goal is identified in MICIP as ELA. RMS has identified strategies in the District MiCip plan which they are working on as a building and are being monitored by the Building School Improvement Team and reported to the District School Improvement Team.
3. We are a 5-8 middle school building in a rural setting in Muskegon County. We currently offer intervention programs in reading and math at all grade levels. An accelerated math program is offered to students who demonstrate high levels of competency on math assessments and classroom academic test/grade data.
4. Our core curriculum is based on the state grade level expectations and the Common Core. This is implemented at each grade level, and assessed yearly through district and state assessments. Content pacing guides, unit plans, and lesson plans are digitized and housed in Google and Planbook. Curriculum information can be requested through the school office.
5. STAR Testing results for 2022-2023 and 2023-2024 school years are listed below:

STAR 2022/2023	STAR 2023/2024
Math	Math
38.7% At or Above Benchmark	40.4% At or Above Benchmark
61.3% Below Benchmark	59.6% Below Benchmark
ELA	ELA
38.8% At or Above Benchmark	45.5% At or Above Benchmark

61.2% Below Benchmark	54.5% Below Benchmark
--------------------------	--------------------------

6. During the 2023-24 school year, Ravenna Middle School hosted non-traditional Parent Teacher Conferences via Google Meet and Phone Conferences. Parents were able to sign up via Google Forms and for those who did not participate, emails were sent to parents to offer additional support through weekly updates per grade level. During the 2023-2024 school year, 48% of parents/guardians attended the Fall Parent-Teacher Conferences and 39% of parents/guardians attended the Spring Parent-Teacher Conferences.

In summary, we continue to strive for increased student achievement, while closing the gap between our top and bottom performers including the impact of the COVID-19 Pandemic. Our staff collaboration continues to review student, staff, and parent surveys that are given each year to make improvements in our school. We celebrate our students' academic and behavioral success quarterly. We also acknowledge our students through Weekly Shout outs. We are currently implementing CHAMPS in our classrooms as a district, and during PD days the focus this year is on TCIS training for K-8 staff. This is being done along with focusing our teaching and learning strategies on improving our ELA student achievement as outlined in MICIP.

Sincerely,

Rob Nista,
RMS Friendly Principal
